EXPERIENCES

ARUP
INTERN
London, United Kingdom (2018)

- Worked as part of a team of three interns
- Prepared a presentation regarding safety measures taken in data centres
- Analysed potential fire hazards and safety risks
- Created a circuit map for data centres
- Calculated possible blasts radii and its effects

BRIGHT NETWORK
INTERN
Remote (2020)

- Collaborated with global students by peer-assessing project work
- Scheduled calls to study Scrum methodology, design sprints and user stories
- Utilised new knowledge to construct a detailed 10 page presentation in 12hrs as a product manager of a large UK bank

PEOPLE AND PLANET
SOCIAL MEDIA OFFICER
Liverpool, United Kingdom (2019 -)

- Took the lead on organising large quantities of data
- Raised awareness for our campaign on social media platforms
- Solved the problem of campaign being to complex by digitally producing a poster outlining the three main aims

PERSONAL PROFILE

A motivated and focused BSc (Hons) Computer Science undergraduate with excellent programming and analytical skills, currently studying at the University of Liverpool.

Inspired by the ground-breaking work of Dane Stephanie Shirley for the advancement of women in the computer science industry. Went on to find computer science to be highly interesting and a progressive field resulting in wanting to contribute to the advancement of the industry.
